

## Week One | Monday 11th to Friday 15th July

### Winter Animal Mask Making

Monday | 9:30am – 12:30pm

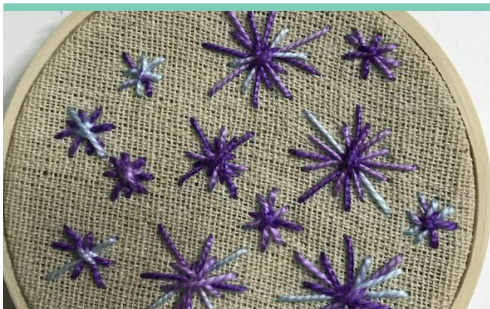

In Romania, carolers dress in bear costumes and dance in order to drive away negative spirits and help enrich the soil for the new year. Winter can be a time for celebration. Come and create your own winter animal mask inspired by this tradition!

### Matariki Glowing Lanterns

Monday | 1:30pm – 4:30pm

In this class you'll design and create your own paper-mâché lanterns using tissue paper and card to create a matariki inspired design. This is a great class for those who like to get their hands messy!

### Needle Punching and Embroidery

Tuesday | 9:30am – 12:30pm

Create your own embroidered wall hanging using fabric and thread. We will be learning some simple sewing methods for both embroidery and needle punching.

### Upcycled Animal Planter

Tuesday | 1:30pm – 4:30pm

In this class you will create your own Animal planters using recycled plastic bottles, paint and 3D materials. Flower seeds will be supplied to plant into containers. Feel free to bring in some of your own flowers too!

### Madhubani Art

Wednesday | 9:30am – 12:30pm

Madhubani is a style of Indian art that features geometric designs and patterns. In this class we will be learning how to create our own Madhubani inspired drawings using ink, coloured pencil and watercolor.

### Mini Pottery

Wednesday | 1:30pm – 4:30pm

Learn how to sculpt tiny pots, bowls and small food items using polymer clay and have a go on our mini potters wheel!

### How to draw Cartoons

Monday | 9:30am – 12:30pm

Love to draw comics and cartoons? Come and join us and learn how to draw some cartoon characters and fantasy creatures. We will be looking at cartoon artist Rebecca Sugar who created Steven Universe as inspiration.

### Tapa Cloth Art

Monday | 1:30pm – 4:30pm

Learn about the process of making Siapo and create your own Tapa cloth inspired designs using tea stained paper and Indian ink.

### Drawing Optical Illusions

Tuesday | 9:30am – 12:30pm

Love art that tricks the eye? Then this class is for you! Learn how to draw simple anamorphic drawings that look 3D from a certain angle. Trick your friends with these great optical illusions!

### Silhouette Moon Canvas Art

Tuesday | 1:30pm – 4:30pm

Create a beautiful canvas painting to take home and put on your wall! We will develop skills in colour mixing and brush techniques as well having a fun time with paint!

### Scribble Mugs

Thursday | 9:30am – 12:30pm

Celebrate Pandemonium day with some chaotic scribbly artworks! Learn how to create different kinds of scribble art and take home your very own scribble mug!

### Tinfoil 3D Paintings

Thursday | 1:30pm – 4:30pm

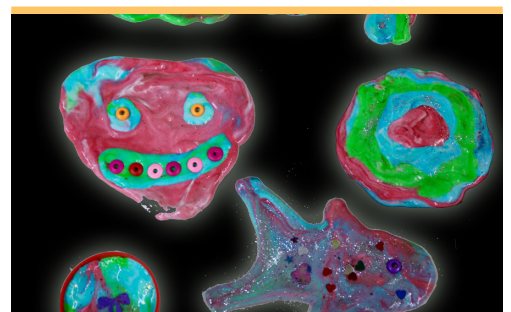

Learn the art of embossed tin foil painting using hot glue, paint and foil. You will create a range of unique tin foil artworks from necklaces to wall art.

### Light installation Art

Thursday | 9:30am – 12:30pm

In this class, we will be playing with light in different ways. Learn how to create your own miniature light box and shadow puppets to take home.

### Glowing UV Slime

Thursday | 1:30pm – 4:30pm

Learn some slime science and get your hands messy! In this class you will learn how to create colourful glitter borax slime to take home. This Slime glows under UV light!

### Make Your Own Watercolour Paints

Friday | 9:30am – 12:30pm

Learn how to make your own watercolour paint set using recycled materials and simple ingredients. Create your own unique colours!

### Clay Pottery

Friday | 1:30pm – 4:30pm

Learn how to make a paint mixing palette and bowl out of clay. Learn a variety of clay sculpting and stamping techniques. Creations can be fired in our kiln for a \$5 firing fee.

### Hot Chocolate Art

Friday | 9:30am – 12:30pm

Come and join us in making some sensory fake food art. Recreate some of your favourite foods including hot chocolate using art materials! We will start the day off with some real hot chocolate to warm us up!

### Dragon Eye Art

Friday | 1:30pm – 4:30pm

Create your own shaded dragon eye drawings and a magical glowing dragon eye pendant from fimo and glass!
