

Policy title	Kids/Youth Inclusive Education for children policy
Policy area	Kids/Youth Programmes
Policy available for Students – yes/no	YES
Policy detail	The Learning Connexion’s Responsibilities The Learning Connexion Ltd (TLC) is committed to providing a safe, inclusive and equitable environment for all students, irrespective of background, age, gender, ethnicity, disability or impairment. Under this policy TLC will endeavour to: • Keep all records on individual children confidential • Create a culturally inclusive and safe learning environment for all students • Cater, where reasonable, to the individual needs of children with impairment or special needs • Consult, if more specialised care is required, with specialist services and others associated with the child and family to determine what support is appropriate • Provide Individual Plans – (IPs) for children with special needs, behaviour management issues and/or significant medical conditions, if deemed appropriate. These may include learning goals based on careful monitoring of specific skills, abilities and activities • Include children with special needs in all aspects of the programme to the best of the staff's ability • Ensure that families are given enough notice to make arrangements if they are required to assist on a programme • Discuss and agree on options and strategies available to individual children and their families
