

Policy title	Kids/Youth Inclusive Education for children policy
Policy area	Academic
Policy available for Students – yes/no	NO
Policy detail	<p>The Learning Connexion’s Responsibilities</p> <p>The Learning Connexion Ltd (TLC) is committed to providing equity for all students, irrespective of background, age, gender, ethnicity, or impairment.</p> <p>This policy implements this commitment to those students with impairments.</p> <p>Under this policy TLC will endeavour to:</p> <ul style="list-style-type: none">• Keep all records on individual children confidential.• Create a culturally inclusive and safe learning environment for all students.• Cater to the individual needs of children with impairment or special needs.• Will work in consultation with specialist services and others associated with the child and family to determine what support is appropriate.• Provide Individual Plans – (IP’s) for children with special needs, if deemed appropriate. These may include learning goals based on careful monitoring of specific skills, abilities and activities.• Include children with special needs in all aspects of the programme to the best of the staff’s ability.• If the programme takes children off site and into the wider community children with special needs and their health and safety requirements will be taken into consideration.• The youth art coordinator or class tutor will ensure families are given enough notice to make arrangements if they are required to assist on a programme.• The youth art coordinator and tutors will discuss and agree on options and strategies available to individual children and their families. If specific advice or assistance is needed then the TLC Learning Support coordinator will be approached and involved in planning and discussions and additional resources will be proposed through the appropriate TLC group. <p><i>Note: Where a student’s impairment means that the programme’s activities are too challenging for them, or are not achievable, an alternative activity may be provided or, parents or other support may be required to assist the child during the programme.</i></p>
