## Create A Body of Work in Printmaking | Term One, 2023

---

Begin with the seed of an idea and nurture it through an open-ended, experimental approach. Push yourself to complete a body of work in seven weeks. It's up to you!

The sky is the limit with tutor Marci Tackett's support and encouragement. Hone your technical skills and learn different printmaking techniques.

This class is individualised to your ideas so come to class ready to begin your exciting creative journey.

Techniques available include screen printing, woodcut, etching, collagraph and plate lithography. You could also learn to make books, boxes and presentation portfolios. Suitable for independent and enthusiastic beginners, intermediate and advanced students.

---
