
Endless possibilities an Introduction to Printmaking Processes | Term Two, 2020

Explore the many methods of printmaking! If you are completely new to printmaking, or you have projects that you want to continue with, there is plenty of scope in this multi-technique class. You will learn monoprinting, collagraph, woodcut, embossing and dry point etching techniques. Then you can continue the adventure by taking a multi-media approach to your work to create unique images. Create, combine and enjoy the learning experience.
Suitable for all levels.
